

CALL FOR EXPRESSION OF INTEREST

- **Title:** Temp agency or freelancers - Event Support Assistant
- **Location:** Geneva
- **Duration:** March 9 to 31 2026
- **Contract Type:** Framework Agreement - Service contract
- **Reporting line:** Operations Manager

1. BACKGROUND

The Principles for Peace Foundation (P4P) is an independent organisation that seeks to reset how peace is built, measured and supported. Guided by the Principles for Peace, P4P works along two strategic pillars.

The first pillar focuses on country accompaniment. P4P supports governments, national actors and coalitions to design and implement legitimate and inclusive peace arrangements and reconciliation processes.

The second pillar focuses on global architecture and tools. P4P develops and deploys methodologies, Simulations, peace and the Peace Navigator, an AI powered measurement platform, and uses them to inform policy, decision making and practice.

P4P operates as a nimble, high performing team that works in a consulting style talent pool. Staff are organised into task teams under the leadership of thematic leads and work across assignments rather than in fixed silos.

2. PURPOSE OF THE POSITION

P4P is looking for Event Support Assistants to provide operational and logistical support to the organizing team for two upcoming high-level convenings in late March and in Autumn:

The role requires immediate engagement to assist with conference preparation tasks and active participation during the events to ensure seamless execution and high-quality service delivery.

We are seeking either a temp agency able to provide such profiles or individual freelancers on short-term consultant contracts for these roles.

This would be a framework contract with agreed-upon rates and tasks, allowing us to easily re-hire for future events through a simplified procurement process. We will, for example, have a similar event in autumn 2026.

- Support pre-registration desk and participant check-in.

- Offer logistical support throughout the event (wayfinding, troubleshooting, information desk).
- Assist with printing and distributing materials (agendas, name tags, signage).
- Maintain a professional and welcoming atmosphere aligned with the event's high standards.
- **Ad Hoc Event Support:** Respond to last-minute logistical needs, assist with coordination between teams (e.g. tech, security, hospitality), and support VIP handling and discreet backstage operations.
- **Dress code:** Full formal attire as per event requirements.

4- Post-event (March 30 & 31)

- Assist with filing and organizing event documentation.
- Support in sorting and archiving participant data and materials.
- Help with inventory checks and packing of event supplies.
- Provide administrative assistance for post-event reporting and follow-up tasks.

5- Other duties as required

- Tasks may evolve based on the convening's needs and dynamics.
